

Dear Mrs Fisher & Family

WeDfy Cru would like to personally thank you for the contribution made by you and your family.

Your contribution is greatly appreciated & will go to the furthering of our practical knowledge as dancers, choreographers & teachers but you have also made it possible that WeDy now has the opportunity to take our talents into areas that do not have an established Arts Culture.

WeDfy has committed itself to making sure that all children have an opportunity to experience the HipHop Art form in a positive & fulfilling environment & with the help of others, We are able to make big differences for ourselves & our Students.

We would like to extend our gratitude to you & your family as your part in donating towards our goal has made this all possible.

Sincerest Regards

WeDfy Cru
